Phaeton®

TIFFIN MOTORHOMES

TIFFIN
MOTORHOMES

AMERICA'S FAVORITE MOTOR HOME BUILDER

MADE TO MOVE YOU.

PHAETON 2014

The nation's best-selling diesel pusher for 7 years and counting.

THE PHAETON BY TIFFIN MOTORHOMES IS A MOTOR HOME PHENOMENON. This luxury Class A coach has set industry sales records, claimed the top spot as the nation's best-selling diesel pusher, become Tiffin's all-time bestseller, and earned accolades from dealers, motor home publications, and most importantly, its owners. What sets the Phaeton apart? Retailing for thousands less than similar coaches, the 2014 Phaeton is an amazing value, offering a multitude of luxury enhancements as standard features. To quote *RV Magazine*, it offers "the most bang for the buck." We invite you to see what all the fuss is about.

DRIVER'S COMPARTMENT

HIGH-DEFINITION REAR/SIDE MONITOR

FULLY ADJUSTABLE PEDAL SYSTEM

COCKPIT

Ever been in a coach that moves you before you even start the engine?

Awaken your pioneering spirit in the 2014 Phaeton. Built on a time-tested Freightliner® Custom Chassis, this coach nurtures a driver's confidence, with impeccable road manners, excellent center feel, and graceful responsive steering. Superior vehicle control is assured with a state-of-the-art brake system and six-speed electronic transmission, which self-adjusts for the smoothest transitions during climbs, descents, and virtually any road condition. A turning radius of 55-degrees navigates crowded street corners with ease, as air ride suspension yields a limousine-type feel and ride, even on rugged country highways.

COMMAND

In the generously proportioned driver's cab, a contemporary wraparound console puts instrumentation at your fingertips, easily seen and understood. With a touch of a button, brake and accelerator pedals adjust to specific body dimensions, as does the Ultra Leather captain's chair. For maximum stability, driver and passenger seats, equipped with integrated three-point safety belts, are steel-welded into the chassis.

PERFORMANCE

At your command is a spirited 380-horsepower Cummins diesel engine with 1050 Lb. of torque — or for 42-foot coach drivers, the mighty ISL 450-horsepower diesel engine with 1250 Lb. of torque. The industry's most acclaimed diesel engineer, Cummins is Tiffin's choice for engines that are able to accelerate at any speed and climb steep grades even when towing 10,000 lbs. on the trailer hitch.

NAVIGATION

The Phaeton is an attentive co-pilot, automatically activating rear and side cameras when the coach is turning or in reverse. Images display in high-resolution color on the in-dash LCD monitor, a standard safety feature. You'll never get lost with the optional in-dash navigational system. Power side mirrors are steel-welded for wind-resistant steadiness and heated to ensure visibility in icy conditions.

TAKE A CLOSER LOOK AT THE PHAETON CLIMATE CONTROL SYSTEM

Full-sized livability, with your choice of dimensions.

Tiffin's ongoing collaboration with customers is evident in the size and number of floor plans we offer. Each has been thoughtfully conceived to address specific needs of the RV lifestyle, from options with more living space or bathrooms to one that maximizes sleeping accommodations. Once you've decided on the right layout, furniture options are available to customize your home. As always, all floor plans come with Tiffin's Store-It-All™ Assurance.

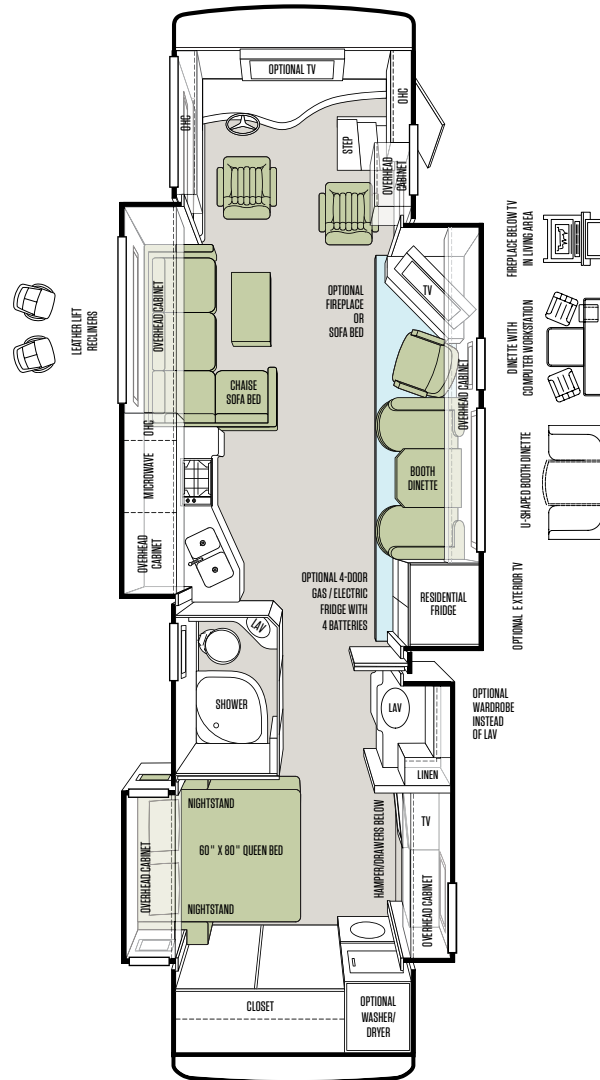

TIFFIN INNOVATION: THE EXTRAORDINAIRE™ AC SYSTEM

The interior ambiance in your Tiffin coach is enhanced by a state-of-the-art heating and cooling method, developed by Tiffin engineers for exclusive use in our luxury coaches. Modeled on residential-style systems, it uses adjustable registers and return vents placed the length of the ceiling to keep the airflow moving in a circular pattern to maintain your desired interior temperature. Whisper quiet and incredibly efficient, it easily lives up to its name — Extraordinaire.

TAKE A CLOSER LOOK AT THE PHAETON STORAGE IN ACTION

LIVING AREAS

More luxury per mile. More storage per inch.

A showcase of beautiful functionality, the Phaeton's interiors glow with the easy-to-clean sheen of porcelain glazed tile flooring and the battery-saving brilliance of LED lighting. Optional automatic or in-motion satellite dish for as many as four TVs ensures nonstop entertainment, as does a home theater sound system. With four slide-outs, 7-foot ceilings, and floor plans up to 42 feet, you'll forget this spacious home is on wheels.

COMFORT

An innovative residential-style heating and cooling method, developed by Tiffin engineers, adds to interior ambiance. Adjustable registers and return vents placed the length of the ceiling evenly distribute air throughout the coach. Cooling is provided by two 15,000 BTU air conditioners with heat pumps, standard features. When the mercury falls, the option of heated tile floors and optional fireplace add soothing warmth.

ELEGANCE

Designed to impress, the Phaeton's decor reflects a refined taste. High gloss raised-panel hardwood cabinetry with invisible hinges, hand-built by Tiffin craftsmen, comes in your choice of English Chestnut or Medium Alderwood. Three textile groupings, for sofa, dinette, and accent accessories, are offered, each in neutral tones to complement your personal style and disguise scuffmarks or pet hair.

THE TIFFIN STORE-IT-ALL™ ASSURANCE

Rest assured, this Tiffin coach will surpass a competitor's model of equivalent size in the quantity and quality of storage.

KITCHEN

Well-equipped for culinary adventures, from tailgating to trailblazing.

Like a treasured family recipe, the Phaeton's kitchen design has been perfected over time, with the help of thousands of owners. Counter space, valuable real estate in a motor home, is in abundance. Deep enough to set up a family buffet, our solid surface countertops are expandable, with sink covers, a fold-over cooktop panel, and Tiffin's handiest innovation, the Expand-an-island, which pulls out for additional workspace.

KITCHEN HELPERS

Little things can make a big difference on the road. Like a rattle-resistant carpeted cabinet for pots and pans. A hidden trash compartment. Double stainless steel sink insulated to keep water hot for washing dishes. Two easy-to-reach 110-volt GFCI-protected outlets. And an ergonomic countertop height of 36", proven to be better for your back.

RESIDENTIAL REFRIGERATOR

Family life on the road is easier with a fully stocked fridge, especially when it's the size of the one you left back home. Typically found in coaches at a much higher price, a 22" double-door residential refrigerator with ice and water dispenser comes standard on the 2014 Phaeton. Onboard to simplify other kitchen duties are a convection microwave, three-burner stainless steel electric cooktop, and optional dishwasher.

SMART STORAGE

The 2014 Phaeton offers Store-It-All™ Assurance, Tiffin's guarantee to exceed competitors in storage capacity, a needed commodity in any kitchen. Deeper than industry standards, our cabinets feature adjustable shelving and sliding compartments for better organization. Drawers are outfitted with full extension metal slides to pull completely open. All kitchen cabinetry is handcrafted from solid unblemished hardwood and features Tiffin's trademark fit-and-finish detailing.

BEDROOM / BATH

Your corner of the world, wherever you are.

A luxurious four-star experience awaits in your secluded bedroom, a haven of sophisticated designer linens, handsome wood cabinetry, and lustrous porcelain tile floors. No need for a bellhop. Your bags are already unpacked, courtesy of a generously-sized closet, chest of drawers, and underbed storage. For ultimate privacy, reserve the en-suite bath with spacious glass-surround shower for you, and direct guests to a mid-ship half-bath.

SLEEPING ACCOMMODATIONS

Togetherness is a joy of the RV life, until bedtime, that is, when everyone needs a place of their own. A cozy queen bed with a pillow top mattress is standard in the bedroom, which can be upgraded to a king or your choice of a Jamison Memory Foam mattress in king or queen. Customize other sleeping accommodations with five floor plan designs, offering multiple guest options, from comfortable sofa/sleepers to kid-friendly bunk beds.

RESTFUL ENVIRONMENT

The Phaeton's ability to shield you from the outside world adds to its interior ambiance. Dual pane windows, custom-built by Tiffin to exceed industry standards, reject noise while maintaining interior temperatures, as do insulated coach side panels. Adjustable shades filter sunlight for better visibility. In the evening, nightshades lend complete privacy and darkness. A deadbolt secures the front entry door so your family can sleep safe and sound.

ONBOARD CONVENIENCES

Taking your home on the road is exciting but it does mean household tasks come along for the ride, too. To simplify cleanup, the 2014 Phaeton offers an optional central vacuum system, along with the convenience of an onboard laundry center. This option, manufactured specifically for mobile travel by Splendide, the industry's highest rated brand, is available as a stackable laundry set.

WARRANTY

You won't find a better warranty because
you won't find a better-built coach.

The Tiffin Five-Star Warranty.
The best in the business, bar none.

At Tiffin Motorhomes, we build for quality first and foremost, limiting our production to just 12 coaches a day to ensure meticulous craftsmanship. It may not be the most business-savvy way to run a company but it is the best way. By investing the time and effort to do things right, we want you, as a Tiffin owner, to have the utmost confidence in your coach, as well as a peace of mind you won't find with other manufacturers. You see, not only do we stand proudly behind our product, we stand behind you as well.

★ 10

**YEAR
CONSTRUCTION
WARRANTY**

The structural integrity of the welded frame of entire coach is warranted for 10 years.

★ 5

We build our coaches to the highest standards: Yours.

Tiffin Motorhomes never set out to become the largest Class A manufacturer in the country. Our goal was to build the kind of motor home that we — a family who loves the RV lifestyle — would want to own, a coach with advanced engineering, the most durable parts, the finest materials. A motor home that makes each and every road trip feel like a vacation — relaxed and fun.

From the start, we consulted the experts, the people who put motor homes to the test — our kindred spirits, fellow RV owners. Today, more than four decades later, this ongoing collaboration is at the heart of our success.

Listening to what our customers want is the reason Tiffin leads the industry in innovations. Offers more floor plans than anyone else. More storage. The industry's best warranty. It's why RV dealers consistently give us their highest rankings for quality, design, reliability, and value. It's why, among more than 50 Class A models on the market, our coaches are consistently among the top sellers. And it's why we've earned the highest owner loyalty rating in the industry.

Any motor home can get you from here to there. The feeling you get as you enjoy every carefree mile in between is why you buy a Tiffin.

MADE TO MOVE YOU.
